# Turkey Farmers of Canada

The Turkey Farmers of Canada (TFC), established in 1974, is charged with administering the orderly marketing system for turkey in Canada. TFC's primary purpose is to provide price and supply stability by gearing production towards market needs. The Agency represents 494 turkey producers in eight provinces and, in addition to market analysis, is also actively involved in areas such as: research, marketing, food safety, policy development, trade, and regulatory analysis. The TFC has developed a comprehensive communications strategy to provide information on the above issues to producers, industry, government, and the public on a regular basis.

## Canadian Turkey Stats 1974-2025

Canadian Turkey Stats 1974-2025 provides the latest domestic and international information on turkey and competing meats and is an example of the Agency's commitment to provide current, accurate and useful information to the public on the Canadian turkey industry.

This publication is available for download at our website www.turkeyfarmersofcanada.ca. At our website, you can find further information on the Agency and the Canadian turkey industry. We can also be contacted by email at info@tfc-edc.ca, by phone at 905-812-3140, and by fax at 905-812-9326.

# Les Éleveurs de dindon du Canada

Les Éleveurs de dindon du Canada (ÉDC), fondé en 1974, administre le système de mise en marché ordonnée du dindon au Canada. L'objectif principal des ÉDC est d'offrir une stabilité des prix et de l'offre en déterminant la production en fonction des besoins du marché. L'Office représente 494 producteurs de dindon de huit provinces, et en plus d'analyser le marché, il s'occupe activement des domaines suivants : recherche, commercialisation, salubrité des aliments, élaboratifaon de politiques, commerce et analyse de la réglementation. Les ÉDC a formulé une stratégie de communication visant à informer régulièrement sur ces questions les producteurs, l'industrie, le gouvernement et le grand public.

## Données sur le dindon canadien 1974 – 2025

La publication «Données sur le dindon canadien 1974 – 2025» offre les renseignements les plus récents sur le dindon et les viandes concurrentes à l'échelle nationale et internationale, et montre l'engagement de l'Office à fournir au grand public des informations récentes, exactes et utiles sur l'industrie canadienne du dindon.

Cette publication peut être téléchargée de notre site web à www.leseleveursdedindonducanada.ca. Notre site web comprend d'autres renseignements sur notre Office et l'industrie canadienne du dindon. Vous pouvez également communiquer avec nous par courriel à info@tfc-edc.ca, par téléphone au 905-812-3140, et par télécopieur au 905-812-9326.
